---

## OBJECTIVE

---

Current university enrolled junior at Charleston Southern University majoring in Computer Science. Seeking a position with a software development company where skills in programming and design can be utilized to create effective and invaluable software to benefit the company and its customers. Detailed and meticulous, eager to work and join a successful team.

## EDUCATION

---

*Bachelor of Science in Computer Science* August 2017 to May 2021  
Charleston Southern University - Charleston, SC  
Relevant Coursework: Data Structures, Computer Architecture, Procedural Programming

## WORK EXPERIENCE

---

*Mover/Laborer* June 2018 to August 2018  
Minuteman Mover - Lancaster, SC

- Contracted to move equipment and furniture in an efficient and timely manner
- We moved for local residents of Lancaster, as well as neighboring cities and towns such as Columbia.
- We were contracted by USC Columbia for many of our jobs as well as the schools in our district area. These included Lancaster High School, Andrew Jackson Middle school.

*Missionary Volunteer* June 2015 to July 2017  
Covenant Baptist Church - Lancaster, SC

- Worked with Covenant Baptist Church by building new buildings in Georgia and Kentucky.
  - In Kentucky, we helped to rebuild a children's home and gained experience in using drywall
  - In Georgia, helped to roof homes for citizens who could not afford improvements
- Gained valuable leadership and teamwork skills during this time; worked during the summers
